## SCRANTON'S TENTH STRAIGHT.

Pottaville Had a Narrow Escape from a Shut Out.

In winning its tenth consecutive vic-tory yesterday Scranton came very administering a coat of white

wash to the Pottsville club. Up to the ninth inning Pottsville had been unable to get a man across the plate, but in that inning a rally at the but, an error by Phelan and poor throwing by Rogers from right field enabled Pottsville to secure three runs and avoid the humiliation of a shut-

Hodson pitched one of his brilliant games. He was found for only seven

score in the first inning, and after that shind him made efforts to prevent Mr. Wilson's error from becoming lonesome. In the fourth the home team made three runs on singles. by Phelan and Westlake, and a double by Rogers and an error by Short Stop Nyes. A double ty Weizel and a single by Hogen in the fifth netted unother run. There was no further scoring done by Seranton during the game. The playing throughout the game was sharp and clean, and the game

most interesting. When the Pottsville players went to the bat in the last half of the minth, a long string of zeros confronted them as the result of their efforts during the preceding eight inning.

Fotts, the first batter, knocked a ball out to Phelan which the latter failed to handle dexterously and Mr. Potts reached first. Tighe followed with a single, Ellis fled out to Patenen and on Fuller's single resisted by bad throws from right field by Rogers three runs were scored. How the battle was fought:

Yesterday Rogers made two doubles and a single. Patchen is also hitting the ball hard and doing splendid back stop work. Barring the catching of high flies he has no superior in the league.

The fight between Scranton and Allentown for first place is one of the most interesting in the history of minor league base ball in this state. Since last Thorsday the two clubs have been tied for first place. Both are playing with great earn-stness apparently determined not to allow the other to have entire possession of the top notch. Today Scranton meets Kading, while Allentown will struggle with Lancaster, which occupies second place. They are strong clubs and Allentown and Scrauton will have to put up a gilt edged article of ball to win.

Hogan did some of his old time bitting singles, gave one man a base on balls, and struck out three others. He was given time support.

Pitcuer Wilson, of Pottsville, was not in perfect physical condition, but nevertheless pitched a good game.
